

# ATTENTION TEACHERS

Teacher Professional Learning – Middle Years

Primary and secondary - classroom, performing arts and music specialists

Musical Futures is an approach to teaching and learning that is reshaping the way in which students around the world are engaging with music in the classroom.

The **Introduction to Musical Futures** workshop is **BOSTES** accredited.

Called **Just Play** it is designed to build musical foundations for students from year 3 upwards. It's the easiest, best supported and most engaging approach to classroom music you'll ever see.

## MUSICAL FUTURES **JUST PLAY** WORKSHOP:

- Introduces a **new** foundational approach, materials and resources
- Especially suitable for use in primary schools and by generalist teachers with some background in music
- Classroom ready resources for guitar, ukulele, drums, percussion, keyboards and ensembles
- **FREE** materials and resources to take away
- Practical workshop activities
- Teacher friendly and curriculum ready
- Lunch and refreshments included
